

**PUMP BOOST**

# Welcome to the BlueAnt PUMP BOOST Wired Sportbuds

The PUMP BOOST features the new Audio Adrenaline profile for sublime sound enhancing Energize HD Audio taken to the next level.

To get started, simply connect the end of the cable to the headphone socket on your music player:

## **Listen Responsibly**

Protect your hearing by always listening at a safe level.

Prolonged use at high volumes may affect your hearing capacity and result in noise induced hearing loss.

Please read the important safety information in this document for advice on the safe use of your BlueAnt device.

## **Fit**

The best sound comes from the best fit. There are multiple sizes of ear tips included with the PUMP BOOST to ensure you get the best audio experience.

To change gels, squeeze the gel and push it onto the stem.

## Using the Microphone and Remote Controls

Use the microphone and remote control on your headphone cable to adjust the volume, answer calls, and control music playback on selected devices. Please note that not all devices support all the functions of the remote and microphone.

Use the middle button to control your music and calls:

To:	Do This:
Answer or end a call	Click the middle button once.
Decline an incoming call	Hold down the middle button for about 2 seconds, then release the button. You will hear 2 beeps to confirm that you have declined the call.
Use call waiting	Click the middle button once to put the current call on hold and switch to an incoming or held call.
Play or pause a song or video	Click the middle button once. Click again to resume.
Skip to the next track	Double click the middle button.

To:	Do This:
Fast forward through the current track	Double click and hold the middle button. Release the button to stop fast forwarding.
Go to the previous track	Triple click the middle button.
Rewind the current track	Triple click and hold the middle button. Release the button to stop rewinding.
Use Voice Control	Hold down the middle button until you hear a beep to indicate that voice control has been activated.

**NOTE:** “Click” means quickly press and release the button.

iPhone, iPod, iPod classic, iPod nano, iPod shuffle, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. iPad is a trademark of Apple Inc.

# **SAFETY INFORMATION AND WARRANTY TERMS**

## **Important Safety Information**

**PLEASE READ THIS ENTIRE DOCUMENT  
CAREFULLY, BECAUSE IT CONTAINS  
IMPORTANT INFORMATION ABOUT THE SAFE  
USE OF BLUEANT DEVICES**

### **WARNING - PROTECT YOUR HEARING**

BLUEANT DEVICES CAN  
REACH VOLUMES ABOVE  
100 DECIBELS.

PROLONGED USE AT HIGH  
VOLUMES MAY AFFECT

YOUR HEARING CAPACITY AND MAY RESULT IN NOISE INDUCED HEARING LOSS (NIHL).

TURN OFF THE POWER TO YOUR DEVICE WHEN NOT IN USE.

Please ensure that the device and any associated components such as ear gels or chargers are stored safely

and that any packaging or unwanted contents are disposed of thoughtfully. Do not place the product on the floor or leave it in a place where young children could access it, or someone could trip over it.

### **Using Ear Gels**

Your BlueAnt headset will come with ear gels or foam tips that are designed to provide a secure fit in your ear while providing high quality audio.

- Ear gels and tips are designed to sit comfortably in your ear and should not be forced into your ear at any time. If you have trouble fitting the ear gel or foam please refer to the owner's manual for correct insertion and usage information.

- Always make sure that the ear gel or foam is fitted securely to your device before placing it in your ear.

## **WARNING**

NOTE THAT NON-COMPLIANCE, MISUSE OR FORCING THE EAR GEL OR FOAM MAY CAUSE DAMAGE TO YOUR EAR CANAL OR EARDRUM, OR MAY OTHERWISE CAUSE BODILY HARM

## **Care and Handling**

Your BlueAnt device is a precision engineered instrument. To ensure its ongoing performance, you should look after it as you would any quality consumer electronic product, and use it in accordance with the instructions.

BlueAnt recommends that you take the following precautions.

- Avoid leaving your device in direct sunlight, such as on the dashboard or console of a car or truck. Do not leave your device unattended in your vehicle.
- Do not leave your device, or use your device, in any area where the temperature may exceed 60 degrees Centigrade (140 degrees Fahrenheit), such as inside a closed car on a hot day. Remember that on a hot day the temperature inside a closed car may be significantly higher than the outside air temperature.
- Do not leave your device, or use your device, in any area where the temperature is likely to drop below 0 degrees Centigrade (32 degrees Fahrenheit).

- Do not leave your device, or use your device, in any area exposed to humidity, dust, soot, other foreign objects, smoke, or steam as this may cause your device to malfunction.
- Do not use any household or industrial grade detergents or cleaners to clean your device. If your device becomes dirty or smeared, in most instances a wipe with a dry or slightly damp cloth should be sufficient to clean it.
- Should a fault develop with your BlueAnt product, contact BlueAnt for advice on how to proceed. Do not attempt to repair or alter any BlueAnt product yourself.

## **PROPOSITION 65 WARNING**

THIS PRODUCT CONTAINS  
CHEMICALS KNOWN TO  
THE STATE OF CALIFORNIA  
TO CAUSE CANCER, BIRTH  
DEFECTS, AND/OR OTHER  
REPRODUCTIVE HARM.

**Caring for the Environment by  
Recycling**

(Applicable in the European Union and

other European countries with separate collection systems)

This symbol on a BlueAnt product or its literature indicates that it should not be disposed of with other household waste at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial waste for disposal.

### **Recycling BlueAnt Products**

Do not dispose of your BlueAnt product with your household waste. In some countries or regions, collection systems are set up to handle electrical and electronic

waste items, and may prohibit or restrict how such items are disposed of. Check the laws and regulations for your areas to determine how to properly dispose of such items. Contact your regional authorities for more details. If collection systems are not available, please return unwanted accessories to any BlueAnt Approved Service Center for your region.

## **BlueAnt Limited Global Warranty**

This product is covered by BlueAnt's limited global warranty for one (1) year from the date of purchase by the first consumer purchaser of the Product.

Please refer to **warranty.blueantwireless.com** for full terms and conditions.

**THANK YOU FOR CHOOSING A  
BLUEANT PRODUCT.**

## **AUSTRALIAN CONSUMER LAW**

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.
